#### **PRE-CLOSE TRADING STATEMENT**

Printing.com plc (AIM: PDC) (the "Company") announces that post the last trading update, released on 21 February 2012, trading has continued at similar levels across the Group's main markets. Accordingly, the Company expects its results for the year ended 31 March 2012 to be in line with market expectations.

Encouragingly, across the UK, momentum continued to increase from the Company's new and 'Template' initiatives with revenue exceeding £100,000 during March 2012. We believe this bodes well for further material growth from these initiatives moving forward.

The Company intends to report its Preliminary Results at 7.00am on Wednesday 6 June 2012.
